

FCC ID: XTYMTM01A

The image shows a handheld electronic device with a bright orange outer casing and a white central panel. On the white panel, there is a small, clear, oval-shaped button at the top left, a small red circular LED indicator light on the right, and a larger, clear, oval-shaped button at the bottom center. A white rectangular label with the text 'FCC ID: XTYMTM01A' is affixed to the white panel, positioned between the top and bottom buttons. The device is shown from a slightly elevated, angled perspective against a plain, light-colored background.
